NOTICE –
IMPORTANT INFORMATION ABOUT YOUR COURT PROCEEDING

Attached is information that provides detailed information about your options for making a plea prior to your court date if you do not want to appear in court. You may enter a plea prior to your court date, but it must be received **no later than your court date and time** listed on your citation. Further instructions are included on the enclosure. If you do want to appear in court, personal appearances are fine. Please note that appearing in court to enter your plea will not result in a reduction in your citation and you will have the same plea options if you personally appear in court.

If you pay your fine (the amount listed on your citation) prior to your court date and time listed on your citation, you do not need to submit a plea to the court. Please note that if you pay the fine, you will be found guilty of the offense as listed on your citation. Fines can be paid:

- In person at the Edgerton Police Department, 215 W. Fulton St., Edgerton, WI 53534. **If they are closed, there is a deposit drop-box** where you can leave your payment. Please include a copy of the citation if possible or include your name, and citation number if you have it, so we can post the payment to the correct account.
- By mail. You can send payment to the Clerk of Court, Edgerton City Hall, 12 Albion St., Edgerton, WI 53534. Please include a copy of your citation if possible or at least include your name and citation number.
- Online at https://www.officialpayments.com/pc_home.jsp. This link can also be found on the City of Edgerton's website under "Pay Citations Online." Please note there is a fee for using this service. You will need your citation number and arresting officer number that can be found on your citation. When entering your citation number, include numbers only and do not include the letters.

Further, **if you do not want to submit a plea and only need time to pay the fine** you do not need to do anything (you do nothing). If you do not submit a plea or pay the fine, you will be found guilty in default and given 60 days to pay the fine as listed on your citation. You will receive notification in the mail regarding the fine amount and due date.

Any questions can be directed to the clerk of court at the contact information included above.
